Autobiography

My name is Nataliia. I'm 30 years old. I was born in a small village in Ternopil area. My father Mykhailo is a driver and my mother Stephania is an accountant. I have an elder brother Volodymyr and a twinsister Liubov. My brother is a teacher of vocal in musical school. My sister is a housewife who lives in Denmark with her family. I'm not married.

All my childhood and the school years I lived in a small beautiful vilage. My family had many animals there: a couple of cows, chickens, ducks, rabbits and pigs. I used to help my parents to take care of all those animals. My grandmother taught me how to feed, water and clean up after them. I was taught to love animals.

My parents also had a field for planting different kinds of vegetables. Of course I helped my mother growing them.

I studied at secondary school. After finnishing my school study in 2005 I entered Agrarian Lyceum, the faculty of veterinary. I studied for 2 years and after the graduation began looking for a job. But agriculture was in a terrible state and was difficult to find a well-paid job at a farm. I could find only a part time job. But after some years I decided to go abrod and work there.

From October 2010 till May 2012 I worked on a cow farm in Denmark. Farmer's name is Henning Vroue. The name of the farm is "Vestergaard". Adress: Vinkelvej 37, 7840 Højslev. I was doing different work:

- milking 180 cows,
- feeding and taking care of the young calves,
- reproduction,
- cleaning stables.

Having spent one year in Ukraine I went to Finland. Farmer's name is Jaakko Heikkinen, tel. +358400952592, "Karhuntala". Adress: Kaartolantie 200, 91500 Muhos. I worked there from September 2013 till October 2016 on cow farm. I was responsible for

- milking cows, feeding,
- heat detection,
- giving medicine,
- feeding and taking care of calves,
- cleaning stables.

I am a friendly and flexible girl. I like reading books, playing piano, dancing, travelling and exploring new places. I like doing yoga every morning or evening. Sometimes I make some embroidery or knit a blanket.

I speak English well. I have a driving license.

Now I am looking for a new job in Canada. I would like to work on a cow farm getting new expirience and developping my skills. I like to learn something new every day and always ready for new challenges.

Regards,
Nataliia.
